The use of such equipment is difficult to control but we can all be vigilant & **if you have any concerns in this area, please bring them to the attention of someone responsible.**

This event will be photographed and videoed. Static images will be displayed on the website www.swimming.org, at the venue and used to promote the sport at this event and events in the future. Moving images will displayed at the venue and used to produce DVDs which will be sold at the event. British Swimming and the ASA work closely with our experts to ensure that in making these images available to enhance the presentation of the event; we are not putting any children at risk in any way. If you have any concerns please refer to ASA Wavepower document, section 6, pages 60-62. The document can be found at www.swimming.org

The following is taken from the Data Protection notice and relates to photography and video images for all events.

Recording images: The ASA and British Swimming may record the competition events in which you participate and general images of swimmers will form part of the information we hold and use. USEFUL INFO REGARDING YOUR COACH/CHAPERONE/PHYSIOTHERAPIST PASS APPLICATION

Applicants are advised the CRB process can take at least 4-6 weeks to complete, forms can be obtained through the ASA CRB Office on 01509 618738. All applicants must be registered with a club.

The ASA will not be processing CRB Enhanced Disclosure Certificates issued by other registered / umbrella body organisations from 1st January 2008.

The ASA have endeavoured to offer a portability service but this has been increasingly difficult due to the withdrawal of support from other registered bodies, who will not share information they have received with The ASA. Accordingly and with regret this service will be withdrawn with effect from the 1st January 2008.

All ASA clubs and license applicants will have to complete a CRB application form regardless of any previous enhanced disclosure they have with another organisation, however recent.

Further information on the CRB guidelines on portability are available on their website at www.crb.gov.uk.

First time applicants must complete both the CRB form and Self Declaration form (purple). The purple form will allow an individual to appear on the club's child protection list whilst the CRB application is being processed. The purple form gives the applicant the opportunity to declare any convictions that may appear on their disclosure. Forms obtainable from ASA CRB Office (01509 618738)

All new applicants must enclose 1 passport sized photograph and existing coaches may provide a new photograph or photograph held on file will be used.

Please note in order for the pass to be valid coaches must have swimmers attending the relevant competition that the pass has been issued for.

The closing date for coach's passes will correspond with the closing date for entries to the relevant competition.

IMPORTANT

Please be reminded that Coaches/Chaperones/Physiotherapists will NOT be allowed on poolside WITHOUT a valid accreditation pass.

Under no circumstances will Coaches/Chaperones passes be issued on the day of competition.

Lost/replacement passes will be charged at £10.00
