## KEY DOCUMENTS

Competitors/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimise the chance of errors loading the data into the recording programme. Coaches can make bulk submissions of dive sheets on behalf of their competitors by using the program *DiveSheets* with which they should already be familiar with. Alternatively, individual competitors may submit their own dive sheets online. The coach and competitor should agree on which method should be used.

Dive sheets should be submitted online at [www.diverecorder.co.uk](http://www.diverecorder.co.uk). As soon as the dive sheet has been submitted a success/failure message will be displayed. If successful, an automatic email will be sent confirming receipt of the details and dives. Dive sheets can be checked and amended a few days before the event online at [www.diverecorder.co.uk/live](http://www.diverecorder.co.uk/live), however this must be done before the deadline passes. Please contact Nina Coverley, [nina.coverley@swimming.org](mailto:nina.coverley@swimming.org), if a problem occurs.

Electronic dive sheet submissions must be made no later than **1pm on Wednesday 29 June 2022**.

At the event, either a coach or competitor must sign hard copies of these dive sheets, which will be available from the Recorders.

If the above electronic method is unable to be used, hard copies of the dive sheets can be submitted to the Recorders at the event. The deadline for manual dive sheets is 15 minutes before the Technical Meeting.

## Medical Declaration

Strict liability means competitors are responsible for any banned substance found in their system, no matter how it got there.

All medications should be checked on [www.globaldro.com](http://www.globaldro.com)
