

Athlete Kit Carrier

Role Objectives:

To ensure athletes' kit is taken from behind the blocks to the designated area throughout the competition.

Duties and Responsibilities:

- Report to the Field of Play Manager.
- Attend appropriate training prior to the event, to ensure the process is up to date and suitable for the event.
- Work within Kit Carrier team to take athletes' kit in large boxes from behind the blocks to the designated area, throughout final session.
- Take direction from Field of Play Manager to synchronise putting down and picking up of boxes with the rest of the Kit Carrier team.
- For disability events, Kit Carriers may be required to move prosthetic limbs, crutches and wheelchairs for para athletes.

Person Specification:
