ARES 21 SPORTS TIMING

OMEGA ELECTRONICS

The most powerful Sports Timing Device in the World

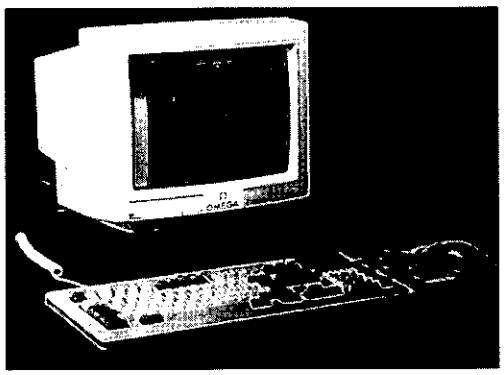

This new product range is NOW available at extremely competitive prices!

Complete **ARES 21** 6 lane systems available from **£12,500.00*** including acoustic start system, single line scoreboard, control PC (desktop or laptop) and installation.

The patented system allows **multi-sport** options with programms for Swimming, Diving, Waterpolo and Synchronised Swimming.

ARES 21 can provide a full A4 print out showing individual splits for each lane as well, of course, as the final result complete with header giving details of event and heat number and title.

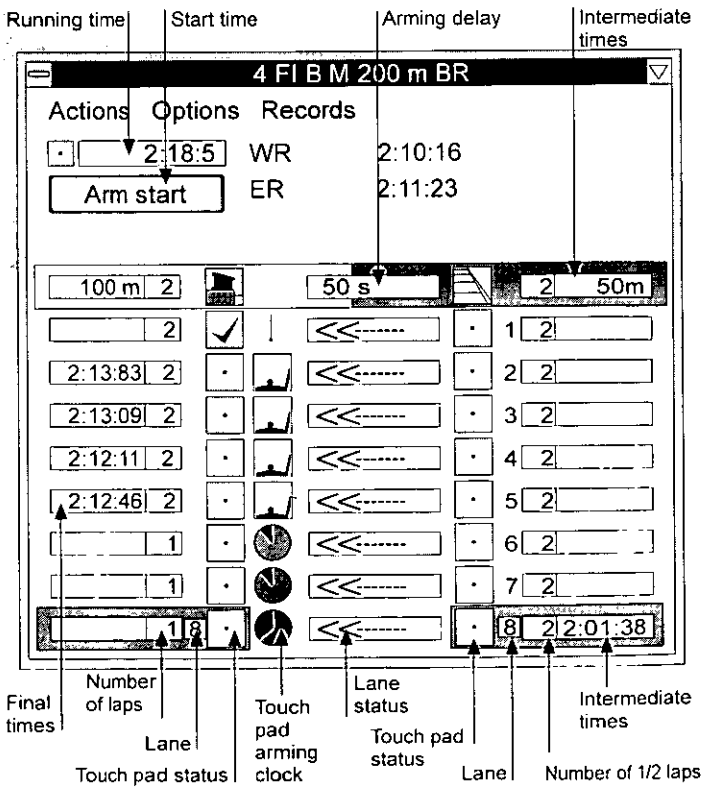

ARES 21 may be connected to a data handling/results system such as that offered by HyTek/SportsSystems or, alternatively, can be pre-loaded with swimmers' names (SportSystems latest feature) to give an integrated results handling capability.

ARES 21 system memory capacity virtually unlimited.

ARES 21 utilises Omega Electronics own Microsoft Windows™ based software package.

ARES 21 system complies with **CE** regulation.

Omega Electronics is the Official Timekeeper to the ASA and the **ARES 21** system has been used at or chosen for the following major international events:-

European Junior Champs, Glasgow 1997
European Championships, Seville 1997
European Short Course Champs, Sheffield 1998

FINA World Championships, Perth 1998
FINA World Cup, Sheffield 1998

Olympic Games, Sydney 2000

More Fun Than You can Bear!

The new Waterfront Leisure Complex is a fabulous combination of ice and water thrills.

With its unique ice lagoon and flumes (The Waterfront boasts the longest, most exciting tyre ride in the country!) the tropical wave pool, ice disco, ice tunnel, snow machine and curling rink, it's a packed day out for all the family.

It even has its own McDonald's. Come along and see how much fun you can bear.
