# National **Winter** Championships

3-5 December | Ponds Forge, Sheffield

**2021**

# Welcome

**Ian Mackenzie**  
Swim England President

It is with great pleasure that I welcome you to Ponds Forge International Sports Centre in Sheffield for the Swim England National Winter Championships (25m) 2021.

I am sure you are all looking forward to this year's national competition. There is no doubt it will be a great event, with fast swimming and personal bests being achieved.

Medals presentations will occur during the Finals session so please ensure that you remain in your seats to congratulate our athletes.

A big thank you to all those without whom our swimmers would not achieve success; whether they be parents, coaches or volunteers.

My sincere thanks also go to the technical officials, volunteers and Swim England events team, here this weekend, whose time and expertise make it possible to deliver this event. In addition, without the continued support, help and assistance of Sheffield City Trust and the Ponds Forge staff this event would not be possible.

Finally, may I take this opportunity to wish you all a very happy Christmas and New Year.

On the cover: Swim England National Winter Championships (25m) 2019, Sheffield, England.

# Event schedule

**COVID Protocol**

We strongly recommend that all those due to attend the Championships take a lateral flow test before attending the event and wear a face covering while inside the venue.

Face coverings apply to everyone unless they are physically competing, officiating or medically exempt.

Full guidelines are outlined [here](#).

All those attending the event are expected to complete the COVID-19 and Risk Awareness Declaration Form prior to arriving at the venue.

# Winter Champs makes a return

After two years away, 2021 sees the return of the Swim England National Winter Championships at Ponds Forge International Sports Centre in Sheffield.

Due to the coronavirus pandemic, the event didn't take place in 2020, meaning swimmers are eager to put on some great performances.

**It has all the ingredients for an exciting three days packed full of racing!**

This year's event is one of the largest Winter Championships in recent history, with more than 1,600 swimmers set to compete.

You will see around 274 clubs being represented throughout the duration of the event, which is 109 more than at the 2019 Winter Championships.

Mount Kelly is the biggest club in attendance, taking 83 swimmers to Sheffield. They are followed closely by Loughborough University who have 71 swimmers set to compete.

As a result of the large number of entries, racing will be split across two short course pools for the heats sessions with men in one pool and women in the other.

The two pools will operate simultaneously throughout the morning heats sessions, before the national junior and open champions will be crowned during the exciting final sessions. A total of 66 finals are scheduled to take place and there are 53 historic and prestigious swimming trophies up for grabs. You can find out which ones later in the programme!

## A journey down memory lane - looking back to 2019...

Jay Lelliott celebrates gold at the National Winter Championships 2019

James McFadzen of Loughborough University took the first gold medal of the Winter Championships back in 2019.

He shaved more than two seconds off his previous 200m Individual Medley best time in a commanding Open Final performance to win the Gregory Matveieff Memorial Trophy.

Abbie Wood, who has since gone on to make her Olympic debut at the Tokyo Games earlier this year, cruised to top spot in the Women's 200m Individual Medley Open Final.

She won by more than three-and-a-half seconds to retain the title she won 12 months prior, in 2018.

City of Sheffield's Jay Lelliott bagged four gold medals in the Men's 100m Backstroke, 200m Butterfly, 200m Backstroke and 400m Freestyle to crown a successful few days of racing.

Also claiming a golden hat-trick was City of Manchester's Chloe Golding, she rounded off her swims with a new personal best to win the Women's 200m Backstroke title for a third consecutive year.

Another memorable performance came from Millfield's Lily Booker who shattered her personal best by more than three-and-a-half seconds to win two gold medals in the same race. She blitzed the field in the final of the Women's 400m Individual Medley to earn one medal as winner of the open final and the other for clocking the fastest youth time.

Loughborough University dominated in the relay events two years ago, they won all six relays to complete the clean sweep.

**But who will make it onto the podium in 2021?**

James Mcfadzen competing at the National Winter Championships 2019

Lily Booker competing at the National Winter Championships 2019

# Spectator information

### Food and Beverages

The venue cafe is open from 7:30am – 7pm. Food etc. cafe offers a range of food and drink, including quick snacks and healthy meals. Spectators may bring in their own food and beverages from outside of the venue if they wish.

### Event Website and Live start lists/results

All event information relevant to spectators, competitors and team staff can be found on the event website: [www.swimming.org/sport/major-events/national-winter-champs/](http://www.swimming.org/sport/major-events/national-winter-champs/)

Start Lists, live scoreboard and Results can be viewed via: [results.swimming.org/swimming/results/2021/sesc/](http://results.swimming.org/swimming/results/2021/sesc/)

### Event Footage and Live Streaming

The event will be live streamed, with a dedicated stream for the male pool and female pool during the Heats session and a live stream for the Finals. To watch the stream go to the Live Stream page on the event website: [www.swimming.org/sport/swimming-live-stream/](http://www.swimming.org/sport/swimming-live-stream/)

All information on how to purchase and download copies of the live stream after the event can also be found on the event website.

### Parking

Recommended parking is just across the road from the venue at Castle Gate Q-Park, Broad Street, where discounted prices will be honoured for Ponds Forge customers.

Please collect a discounted car parking ticket from Main Reception at Ponds Forge.

### Medal Ceremonies

Medal presentations will take place on poolside at the scoreboard end.

### Swim England Photography Guidance

We are all well aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images. It should be acknowledged that the majority of images taken within a Swim England setting are appropriate and taken in good faith. However, images of children and adults can be misused, and sharing images widely without consent may betray a confidence or identify a child or adult, which could present a risk of harm to that individual if common sense procedures are not followed.

Parents and carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.

Swim England encourage all spectators and participants at Swim England events to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event.

Should individuals have any concerns about photography or filming at the event, this should be brought to the immediate attention of the Swim England Event Officer present.

Swim England is committed to ensuring that all children who participate in Swim England activities are able to take part in an enjoyable, safe environment and be safeguarded from harm. If you have any child safeguarding concerns at the event, please contact an Event Officer immediately to disclose your concerns.

### Event Photography and Filming

Events will be photographed and live streamed. Static images will be displayed on the Swim England website [www.swimming.org](http://www.swimming.org) and at the venue. They may be used to promote the sport at this event and events in the future. Moving images will be displayed at the venue and via live stream at [www.swimming.org](http://www.swimming.org) and YouTube. In addition, Swim England may use these recordings and images for the purposes of education and training, swimmer analysis, promotion, performance, development and selection and event analysis, including publications and on Swim England social and digital channels.

In this instances where the event is being live streamed, it is not possible to provide the option to refuse consent to filming and if there are any concerns, please speak to the Front of House Desk.

### Event Photography Consent

All individuals attending Swim England events are asked to complete the Swim England Photography Consent Form to ensure they have indicated their photography preferences and provided permission for photography or otherwise. These permissions will be valid for three years.

If individuals wish to amend their photography permission and for all further queries, please contact Swim England Events Team on [nationalevents@swimming.org](mailto:nationalevents@swimming.org).

### Swim Shop and Event Merchandise

NESS Swimwear will be operating a swim shop at the venue throughout the event and will be retailing event merchandise including hoodies and swim caps.

Hoodies = £40  
Swim Caps = £8

### A safety announcement from Swim England

Competitors are reminded that the depth of the water at both ends of the competition pools is 2m and the height of the starting blocks above water level is 0.75m.

Competitors, team staff and spectators are asked to make themselves familiar with the emergency exits. In the pool hall they are situated at regular intervals along the poolside and the spectators' gallery. Please ensure that you do not block emergency exits at any time.

Should it become necessary to evacuate the building you will be given instructions by the Centre Staff, which we ask that you follow. Do not return to collect your belongings, as this is dangerous.

Security will be present throughout the event. Items are left at your own risk.

For your own safety, all spectators must sit in the seating areas provided. Staircases, gangways and fire exit doors must be kept clear of all obstructions, clothing and bags at all times. If seats are reserved with personal belongings, these will be removed and taken to the front desk for your collection.

Swim England are not responsible for lost property. All lost property will be handed to the front desk at the Venue.
