Swim England Diving National Skills Finals 2024

13-14 July | Southend Leisure and Tennis Centre

Hosted by Swim England East Region

Welcome to the National Skills Finals 2024

The Swim England East Region are proud to present the Swim England Diving National Skills Finals 2024.

We are pleased to welcome you to Southend-on-Sea, home of Southend Diving.

Congratulations to everyone who has qualified for the National Skills Finals 2024. It is fantastic to see so many entries this year from a variety of clubs across the country, as well as guests from Ireland, Scotland and Wales. We are also excited to hold the first Group A National Skills Finals event.

Whether this is your first National Competition or if you are returning to the event again following another successful year of training and competing, we hope you all enjoy the competition and wish you every success.

I would like to take this opportunity to thank all the volunteers involved in the delivery of this event as well as Southend Diving and all staff at Southend Leisure & Tennis Centre. Without their dedication and support, the delivery of the event would not have been possible!

Yours in diving,

Lottie Thompson

Photography

We are all aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images.

It should be acknowledged that the majority of images taken within a Swim England setting are appropriate and taken in good faith. However, images of children and adults can be misused, and sharing images widely without consent may betray a confidence or identify of a child or adult, which could present a risk of harm to that individual if common sense procedures are not followed.

Parents and carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognized and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.

Swim England encourages all spectators and participants at Swim England events to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event.

Should individuals have any concerns about photography or filming at the event, this should be brought to the immediate attention of the Swim England Event Officer present.

Swim England is committed to ensuring that all children who participate in Swim England activities are able to take part in an enjoyable, safe environment and be safeguarded from harm. If you have any child safeguarding concerns at the event, please contact an Event Officer immediately to disclose your concerns.

Event Photography and Filming

Events will be photographed. Static images will be displayed on the Swim England website www.swimming.org. They may be used to promote the sport at this event and events in the future. In addition, Swim England may use these recordings and images for the purposes of education and training, analysis, pro-motion, performance, development and selection and event analysis, including publications in Swimming Times and on Swim England social and digital channels.

Event Photography Consent

All individuals attending Swim England events are asked to complete the Swim England Photography Consent Form to ensure they have indicated their photography preferences and provided permission for photography or otherwise. These permissions will be valid for three years. If individuals wish to amend their photography permission and for all further queries, please contact Swim England Events Team on nationalevents@swimming.org

Event Merchandise

Event Hoodies and T-Shirts

A range of event merchandise will be available to purchase at the event.

Fine Designs www.finedesignsuk.com will be attending the event selling a range of commemorative t-shirts and hoodies. Visit their stand during the event and choose from a large selection of garments. Each print only takes a few seconds which means you can customise your garment and it is printed on site whilst you wait to collect. Choose from the front logo; the list of competitors' names and lots of additional sleeve options.

Prices start from £20 for a t-shirt and £40 for a hoodie.

Other merchandise

In addition, a limited supply of other event merchandise such as keyrings and badges will be available to purchase on site from the merchandise table located near the changing room.
