Option 2	Monday 23 February 2026	18:00	<a href="#">JOIN MEETING HERE</a>

One representative from every club due to participate in the Championships (this can be a coach or team manager) is encouraged to attend an online pre-event briefing to hear all the key event information.

Only one of the above meetings needs to be attended, as the same information will be conveyed. There is no requirement to sign up in advance. Although this is not a mandatory briefing, we strongly encourage participation.

## Photography and Video Consent

All individuals attending Swim England events are asked to complete the photo consent form below, prior to attending the event:

[PHOTOGRAPHY CONSENT FORM](#)

To view further details about how Swim England manages your data, download [Swim England's Privacy Policy](#).

## Travel Insurance

Affiliated Swim England clubs and members thereof have the benefit of third party and personal accident insurance effected by Swim England. However, this does not include travel insurance for trips in the UK or abroad, in particular, there is no cover for travel or accommodation costs for the cancellation of an event.

Some clubs and members may already have the benefit of their own group or personal travel insurance. For those that do not have travel insurance for this event and wish to get a Sport Travel Insurance quote please contact Howden directly on 0121 698 8052. Alternatively, you can seek cover from another insurance provider.

Unfortunately, non-Swim England members do not have the benefit of third party and personal accident insurance effected by Swim England and would therefore need to seek insurance coverage separately.

## Youth Category Upper Age Limits

All online entries submitted as part of the Championships are bound by the event conditions. Clause 4 of the Championships conditions outlines the upper age limits which differ for Open (16 years) and Female (15 years) athletes in the Youth Category.

Due to the introduction of a number of new rules and the system changes required to meet the new updates, the entry system does not differentiate the bespoke upper age limits required between Open and Female athletes in the Mixed Duet and Team events in the Youth Category. The entry system upper age limit has been set to 16 years to enable Open athletes to appear for selection. Female athletes who are 16 years may appear in the drop-down list for selection for Youth events, but please note that their selection would be in breach of the Championships conditions. **Please select athletes as per the stated upper age limit outlined in the Championships conditions and review the selection being made for entry.**

### International Entrants

Please email the Event Officer at [nationalevents@swimming.org](mailto:nationalevents@swimming.org) for specific details on how to enter. A photo will need to be submitted for accreditation as part of the entry process.
