Warm Up

Specific warm up times for Team warm up are detailed in the event schedule on [p.7](#) which will be limited warm up in the main competition pool, Barton Pool; there is no swim through with music and due to a busy schedule deck work may be limited.

The Twyver Pool is open throughout the day for **cooldowns only**. This pool will be managed by the Athlete Services team to ensure only those swimmers swimming one event in advance are using this facility. The pool is limited to 30 swimmers maximum at any one time due to venue restrictions. The Twyver Pool is 1.8m deep so only width swimming will be permitted for event competitors.

The safety of swimmers in warm up is the responsibility of the accredited coach at all times. An event Warm Up Marshal will co-ordinate the session and may override coaches on behalf of the Meet Director on both operational and safety grounds.

Specific warm up times are detailed in the event schedule and full details of the water allocations for each session will be available at Team Managers meetings and with the Athlete Services Team. Team, Combo and Figures warmup sessions will be split to adhere to the venues pool loadings and ensure the safety of all athletes – these splits will be shared in the Pre-Event Briefing sessions, statutory Team Managers Meeting and via the Athlete Service Team. All participating clubs will get the opportunity to have allocated water time in the competition pool in each session.

- Acros and lift set up are permitted where directed by the Warm Up Marshall but due to pool capacity, flyers will not be permitted during warm up.
- All width swimming must start from the 'athlete seating' (window) side of the pool - there should be no entry in to the water from the spectator side.
- Coaches must be aware of other clubs and have briefed swimmers on the safe warm up plan.
- Timings and instructions from the Warmup Marshal must be followed at all times, please listen for whistles and verbal instructions over the PA.
- Failure to comply with safety requirements and instructions from event staff, may result in clubs being removed from the warmup session.

Key Protocols

- Athletes are not to get changed on pool deck or in the stands;
- Adhere to the instruction of the Athlete Services Team when accessing poolside for warm up or competition at all times;
- Competitors are encouraged to use lockers to safely store their belongings. Lockers are available in the changing room area. Belongings brought into the venue are brought at athletes, team staff and event staff's own risk. Swim England will not be responsible for any lost, stolen or damaged items.
