Withdrawals	<p>The withdrawal process relies upon swimmers' co-operation and courtesy to fellow competitors. Swimmers who fail to arrive for their heat create empty lanes which, if they had been used by others, could reduce the length of the sessions. To ensure that the meet runs efficiently it is essential that those not intending to swim inform the organiser as soon as possible.</p> <p>Withdrawals up to 18:00 on Thursday 11 June should be made here. Withdrawals after this date should be made to the recorders at the resolution desk beside the timing suite. All withdrawals must be made by the end of the preceding session. Refunds will not be made.</p>
Re-Entry	<p>Competitors entering in 400m Individual Medley and 400m, 800m and 1500m freestyle events are required to confirm their intention to swim in these events by re-entering before the start of the sessions in which the events will be swum. The deadlines and procedure for re-entry will be confirmed in the Competitor Information Pack. This may be done by email to: masters@scottishswimming.com or at the pool (recorders desk) up to one hour prior to the start of the respective Session.</p>
Relays	<p>Relay Teams 72+ The 72+ relay teams may include swimmers over 24 years old, but must have at least one 18/24 year old swimmer in the team.</p> <p>Relay Team Lines Teams in relay events are required to submit their team lines by the end of the preceding session.
