

Swim Results Mobile App

We are trialling a new mobile application as an alternative to Meet Mobile this year. The app can be downloaded from either the Google or Apple stores using this QR code.

The app will be free to use for the SE London Masters Competition 2026 and we would welcome feedback during or at the end of the meet.

We will still be using Meet Mobile from HyTek and will still be posting a start list in the entrance to the changing rooms but we encourage swimmers, coaches and spectators alike to use the new application on poolside.
